got my bags at the door
i'm getting ready to leave
ohhh ohhh mmmm,,,
i can tell there's something u wanna say to me
ohhh ohhh
baby speak your mind
cuz u're wasting time
it's a quarter to nine
and my car's on the way
you said u wasn't ready for this
so i'm at the door
heard there's something on ur mind changed

chorus:

if u want me to stay
if u want me to stay
say u want me to stay
baby stop playing around with me
there'll be no time to play
if u want me to stay
baby u've got to show me

2nd verse:

oohhh
ur mind and ur mouth are saying 2 different things
oohhh ohhh mmmm
u need to figure it out ...i'm tired of waiting ohhh oohh
being indecisive.. it comes with a price n' now ur time is
almost gone mmm...
i'm hearing " go on and leave "
u dont care about me
but ur eyes r saying u want me home

chorus:

if u want me to stay
if u want me to stay

say u want me to stay
baby stop playing around with me
there'll be no time to play
if u want me to stay

baby u've got to show me

show me u want me (*2)
show me u want me babe (*3)
baby show me that u care
show me u want me babe
showww meeee... show meeee
show me u want me babe
show me that u care ohhhhh

u've got to show me

chorus:
if u want me to stay
if u want me to stay
say u want me to stay
baby stop playing around with me
there'll be no time to play
if u want me to stay
baby u've got to show me

if u want me to stay
if u want me to stay
say u want me to stay
baby stop playing around with me
there'll be no time to play
if u want me to stay
baby u've got to show me
