Ruke Ferizaj baby

mhhh yeahh ohhh

Chorus:

All I want is to be wanted by you

May this love never end

Cuz I'm speechless every time u are around

I get the feeling that I can't survive when u are not
in my mind

Verse 1:

U can figure it out

Yes u can

Cuz every time I walk through the door

U know that I want to come back just 2 stay a minute
more

When I talk on the phone with a homie

I keep smiling

But u know that I'm smiling at you

When I feel lonely

U know that u are the one 2 hold me

When my heart is broken

U always know how to mend it

Chorus:

All I want is to be wanted by u

May this love never end

Cuz I'm speechless every time u are around

I get the feeling that I can't survive when u are not
in my mind

Verse 2:

It's funny cuz there can be lies everyday

But u choose not 2 go that way

And for that I thank you everyday

And I appreciate it more than words can say

Baby I know u get mad quite a few times

And u know that I know why

And there I come in and dry your eyes

And kiss u with a smile

We make up again

And u don't go mad to bed

And neither do I

And it just feels like we are floating in the sky

Bridge:

And there is the whole world out there

But there is just one taking my breath away

My baby u

All I ever wanted was founding someone like u

And yes u

And all I ever want is 2 be wanted by u

Chorus:

May this love never end

Cuz I'm speechless every time u are around

I get the feeling that I can't survive when u are not

in my mind

Wanted by u

Uhh uhh

Wanted by u

Uu uuu

Uhh
