Let me be your champion(4x)

Watchu know about it  
Tell me watchu know bout it  
Sex till to the clock in the morning  
Baby I got it you ain't never had it like this  
You gon put it on I'm not talking about it  
Lets be apated  
If you wasn't knowin' I was trying to get your body wet  
Work that  
Imma make your hips swag  
Trust me , shorty you ain't ready yet

I dont mean to brag but I really must let you know (say  
word)  
You can do things to your body that your body ain't  
seen before  
Say what you want then

OOOOOOOOO

Keep looking at me that way  
Guaranteed it'll be a long day

And the long night shawty ride  
Shawty imma lover  
Listen baby this is what i do  
Little mama imma lover  
Imma be your champion (imma be your champion)  
Shawty imma lover  
Come on baby let me put this thing on you  
& one thing I guarantee you want nothing else but me

So if you wanna know about it talking all crackless shoe  
Keep saying that you doubt it  
Come and show me that you bout it  
( imma hunt your little back like that)  
Shawty it's automatic  
Whatchu let me have it baby when I stab it

Imma make your body wet  
work that

Imma make your hips swag  
Trust me , shorty you ain't ready yet

I dont mean to brag but I really must let you know  
You can do things to your body that your body ain't  
seen before  
Say what you want then

OOOOOOOOOOOOOOOO

Keep looking at me that way  
Guaranteed it'll be a long day

And the long night shawty ride  
Shawty imma lover  
Listen baby this is what i do

Shawty imma lover
