Maybe this decision was a mistake
You probably don't care what I have to say
But it's been heavy on my minds for months now
Guess I'm trying to clear some mental space

I would love to talk to you in person
But I understand why that can't be
I leave you alone for good, I promise
You answer this one question for me

I just wonder
Do you ever
Think of me, anymore
Do you?

Kind of bittersweet to hear from you now
Things have changed so much in both our worlds
Everything about me now is woman
The person that you hurt was just a girl

I'm glad you know that we can talk in person
I don't think my man would go for that
With my brand new life I'm truly happy
But from time to time I do think back

I just wonder
Do you ever
Think of me, anymore
Do you?

I know what we had is dead and gone
Too many times you made me cry
And I don't mean to interrupt your life
I just wonder do I ever crossed your mind?

I just wonder
Do you ever
Think of me, anymore
Do you?

I just wonder
Do you ever

Think of me, anymore
Do you?

I just wonder
Do you ever
Think of me, anymore
Do you?
