Absolute Beginner - Absolute Beginner
Absolute Beginner

Long ago and far away
I let you down; I let love lay
And I could look the other way
And go about my working day
My heart was jaded to the core
A professional amateur
Like everything's been done before
But today I feel better

'Cause I feel like an absolute beginner
Like this is the first day of a whole new life
And I know this love is gonna deliver
Like an absolute beginner
Everything is new
And it's all because of you

I was told on my Daddy's knee
That life would give no guarantee
But knowing that you're there for me
Is dancing on my destiny
I cannot keep this in my mind
I've never been the silent kind
I want to tell those left behind
Good things are 'round the corner

'Cause I feel like an absolute beginner
Like this is the first day of a whole new life
And I know this love is gonna deliver
Like an absolute beginner
And everything is new
And it's all because of you

Let your love come tumblin' down
It's never felt so real as right now

Solo

I feel like an absolute beginner

Like this is the first day of a whole new life
'Cause I know this love is gonna deliver
Like an absolute beginner
Everything is new
And it's all because of you

I feel like an absolute beginner
And it's all because of you
