#### 1. Author of Confusion

Intro - Instrumental

Author of confusion you play inside my mind and I want  
to run

But where can I hide?

Author of confusion your aim is to confound 'til I do not  
know

Which is up or down?

Author of confusion you play inside my mind and I want  
to run

But where can I hide?

"Author of confusion you start an endless chase;  
thoughts start running 'round"

Never find their place

Author of confusion your aim is to confound 'til I do not  
know

Which is up or down?

Low or high

The truth is I don't know

Author of confusion you play inside my mind and I want  
to run

But where can I hide?

"Author of confusion you start an endless chase;  
thoughts start running 'round"

But never find their place

Author of confusion your aim is to confound 'til I do not  
know

Which is up or down?

Day or night

Who knows right from wrong?

How long will stay tied to the mast?

How long 'til you reach for me at last?

Aren't you tired of living in the cold?

How long 'til you come to claim the gold?

You are like a raven in the night

You fly high but you're sleeping in the light

The waves will crash and the mighty winds will roar  
Why can't we be the way we were before?

Author of confusion you play inside my mind  
Author of confusion you live to make me blind

## 2. I'm The Guy

THE EGO:

I'm the guy who lurks  
In the heart of every man  
I'm the creepy jerk  
Dressed up like your dearest friend

I am Jonah's whale flying friendly sail  
I'm the mind you're living in  
I - I'm the guy

I'm the guy who thinks  
Of the press and interviews  
Like to walk a mile  
In God's favorite running shoes

If you specify who has made you cry  
Who can give the suicidal blues  
I - I'm the guy

I'm the one you can't break free  
I will always be  
Like a wolf that's at your door  
What your women wants is me  
I'm the one she's waited for  
She's waited for

I'm the one eyed jack  
I'm the one you can't ignore  
Just give me somethin' better than that  
I'm the guy who wants more and more  
and more and more and more

And then when I'm through  
You'll be turned into  
An emotional vegetable  
I - I'm the guy

## 3. Author of Confusion Reprise

Author of confusion you play inside my mind and I want

thoughts start running 'round"  
Never find their place

know  
Which is up or down?  
Low or high  
The truth is I don't know
