There's a message floatin' in the air  
Come from crazy horses ridin' everywhere  
It's a warning, it's in every tongue  
Gotta stop them crazy horses on the run

What a show, there they go smokin' up the sky, yeah  
Crazy horses all got riders and they're you and I

Crazy horses  
Crazy horses  
Crazy horses  
Crazy horses

Never stop and they never die  
They just keep on puffin'  
How they multiply  
Crazy horses will they never halt  
If they keep on movin'  
Then it's all our fault

What a show, there they go smokin' up the sky, yeah  
Crazy horses all got riders and they're you and I

Crazy horses  
Crazy horses  
Crazy horses  
Crazy horses

So take a good look around  
See what they've done  
What they've done, they've done  
They've done, they've done  
They've done, they've done  
They've done, what they've done
