Try as you might, we can't understand it all
But you're living the life, than came your tragic fall
And if God's Love was real, why the suffering?
But if you ask him to heal, on a desert plane,
He'll send the rain.

The storms may wither, but he will never,
God's Love won't let you down.
When you're falling under, you don't have to wonder,
God's Love won't let you down
God's Love won't fail,
He'll never let you down.

You promised yourself, you never would love again
And you try hiding out, but your heart just can't station
in
But there's a Love that is real, that won't turn on you
Just reach out and you'll feel, what He said is true,
It's all for you

The storm may wither, but he will never,
God's Love won't let you down.
When you're falling under, you don't have to wonder,
God's Love won't let you down
God's Love won't fail,
He'll never let you down.

Let those who's sleepy or walking come to the city of
Light,
He is life,
He is life.

The storms may wither, but he will never,
God's Love won't let you down.
When you're falling under, you don't have to wonder,
God's Love won't let you down.

The storms may wither, but he will never,
God's Love won't let you down.
When you're falling under, you don't have to wonder,
God's Love won't let you down

God's Love won't fail,
He'll never let you down.

The storms may wither, but he will never,
God's Love won't let you down.

The storms may wither, but he will never,
God's Love won't let you down.

He'll never let you down.
