Jesus, is it true what they are saying?
You know in my heart I've been praying.
'Cause I feel something, is it You that I feel?
Hold me and show me You're real.

For I am willing,
and I am broken,
All I want is the life You have spoken.
Oh Father, if I give you my life
You come turn my night to day
For I am willing,
You don't have to break me
I don't know why You would die just to save me
Oh Father, come and take me, now.
Take me, now

Jesus, spirit deep as an ocean,
I need You and not just emotion.
If You can truly live here within me,
Let this be our great beginning.

For I am willing,
and I am broken,
All I want is the life You have spoken.
Oh Father, if I give you my life
Will You come turn my night to day?
For I am willing,
You don't have to break me
Take all that I have, don't forsake me
Oh Father, come and take me, now.
Take me, now

Solo

I am willing, and I am broken
All I want is the life You have spoken
Let the sleeper,
Let the sleeper, be awoken Now.

I am willing, and I am broken
I am willing, and I am broken

All I want is You,
All I want is You
Hey hey yeah
Oh Father come and take me, now.
