Can somebody shout "Hallelujah,"  
Can somebody give me an "Amen."  
The church sang and danced  
and the band cranked up to ten.

They talked about living water,  
They sang about Jordan wide  
I never felt so out of place in all my life.

Sing it high, sing it low,  
sing it everywhere you go,  
Jesus will deliver you from suffering.  
He's the way, He's the goal,  
He's the song in your soul,  
Listen with your spirit and you'll hear it ring.  
Can't you here it ring?

Something kept calling me back there,  
Oh, the love of the people so strong,  
Soon I was dancing and clapping and singing along.  
Yes I was

Sing it high, sing it low,  
sing it everywhere you go,  
Jesus will deliver you from suffering.  
He's the way, He's the goal,  
He's the song in your soul,  
Listen with your spirit and you'll hear it ring.  
Oh, you'll hear it ring

Sing it high, sing it low,

Oh, you'll hear it ring

Oh, you'll hear it ring
