if I could keep this moment here live away get away

MotoLyrics

and now I feel you cross my heart shining shining like a jewel

ooh put me high on a wall and let's not fall let's not fall

sweet dreams I remember it all I remembered it all

doo te doo...

if I could keep this hour and hold you gently next to me it would sparkle like a jewel and all this means so much to me

you know it's gone it's gone to fast wish you could never be a past but then i'll ... much more to lose alone and screaming eo eo eo...

to doo te doo... eo... to doo te doo
