Don't feel so low  
There's hope you know  
There's always something here for you

It makes me feel strange  
To see you again  
I feel happy when I see your face

I think that I know  
Where I should go

Cos I know that I'm  
Gonna find something this time  
Cos I just made up my mind  
I think that I know  
Where I should go  
I'm feeling fine because I know  
Yeah I know that I'm  
Gonna find some peace this time  
Yeah I feel my luck could shine . . .
