[Verse 1:]

Creepy crawling, in ya crib, we're comin'to kill
Catch you while ya sleep, wake up to a gun in ya grill
Doing Satan's business, tie you up, hang you
22cal. bang bang you - Mephisto with a pistol
On methedrine crystal, give me all the money
To me you're less than shit stool - Juxed 51 times
Women screaming, blood everywhere bound and
Gagged in fear you star, beg for ya life
Break the gun handle on ya skull, take a jagged knife
Then like an animal indulge in non-stop stabbing trife -
Puncture pregnant bitch, rupture arteries
My horrific cult of vultures - Butchering, no remorse
Bludgeoning, slit ya throat, gushing like a flushed toilet
Now ya hunched - My infamous psycho posse
Tagging pig up on the door in blood
You can't stop me from...

[Chorus:]

Stabbing and stabbing and stabbing and stabbing
And stabbing and stabbing and stabbing and
Stabbing and stabbing and stabbing and stabbing
And stabbing and stab you to death! - (Until you die)
- (My cult keeps) - (Viciously)

[Verse 2:]

Face down on the bed, pillow case over ya head
Lamp cord choked, leave everyone in the place
Dead - Knife to ya chest, ya colon flexes slashing
The word war in your solar plexus - We're piranhas
Get you prepped for embalmers - ya pleading,
bleeding
Profusely in your pajamas - Attacking my prey like a
Starving hawk - Jux ya buttocks with an ox and a
Carving fork - Senselesscrime, no motive, sacred deed
-
Shock the world, make'em stand up and take heed -
Needle tracks on my arm, influenced by Beatles tracks
Doing your featl sac harm - Patty, do something witchy
later -
Helter Skelter in blood on the refrigerator - Exit, me

and my
Vicious accomplices hitch-hike back to the ranch,
mission accomplished

[Chorus:]

Stabbing and stabbing and stabbing and stabbing
And stabbing and stabbing and stabbing and
Stabbing and stabbing and stabbing and stabbing
And stabbing and stab you to death! - (Until you die)
(My cult keeps) - (Viciously)
