Check this Hustler shit out
This is for all you fucking gangster niggas out there...
There aaaaaall dedicated to the trife shit

This is for the kids on the corners with beepers and
bangers
And loading shirts of hangers Loot and Templeton
boots
Honeys that want to go clubbing or should I say
'Rubbing'
Up against Mack Daddies that drive black Caddies
And white continentals grasping my instrumentals
Trunks, filled with blasting instruments like 'Biscuits'
BMW dripping my hoodlum stack will trouble you
If you don't let them hustle you, they'll snuff you
Cops will cuff you for no reason
Heard it's a open season
Your man's committing treezing 'cause your girl is
skeezing
This is for the hard rocks that pack glocks
Swinging batteries and socks eating bakeries and locks
For niggas that box and hit the bag so you'll a-phone in
herringbones
Rains with hard stones hones and weapons galore
Left a double bladed knife inside my pocket
This is dedicated to the trife

Dedi-cated to the Trife
Dedicated to the Trife kid
I'm sexing your wife kid
Put the trife on
This is dedicated to the Trife with the butcher knife

Dedi-cated to the fucking Trife
Dedicated to the Trife, kid
I'm sexing your wife kid
Put the trife on
This is dedicated to the Trife with the butcher knife '?'
for the trife

For the girls with big butts and kids with big guts

And HEARTS and honeys that dress up Friday night to
meet me
And treat me with respect. I'm kicking this mind of
crime
And kids that sell dimes but don't drop em'
For bugs that rot, shot the thugs that got pistols for
sale
Selling more crystals than gale
Though Guys that snuff guys for looking
Get arrested and turn the whole night into booking
From Brooklyn to Manhattan
To Sheldon to Strong Island
Violently I get fucking greens
Fill the head with cash and flip hash
And got a stash of loot that's trife
God bless your life

(Chorus)
