[Necro]

This is a Captain Carnage and Necrophiliac duet of death!

It's the Witchcraft Killer!!!

[Captain Carnage]

Fillin my fuckin bed with skulls
Choppin up bodies until my blade dulls
I don't give a fuck about the people dyin
Try to take mines and on your fuckin back, you'll be lyin
Then, like a corpse in a dead morgue
I find your fuckin body in Prostate Park, bitch
I'll have you fuckin hangin like a fuckin killa on a
meathook
Then your fuckin flesh is getting cooked
Roastin, I chop up fuckin poor man is toasted
I suggest that you don't fuckin piss me off
Now cunt, my fuckin hollow tips ain't soft
I rip up your rectum, blow out your back
When I body attack, I'm a fuckin maniac
I don't know who the fuckin I am, or where the fuck I'm
goin
Cause another dead body is what I'm persuin
So I continue to laugh
Knowin any given moment, I could join a bloodbath

[Chorus 2x (Necro and Captain Carnage)]

Destined to die kid! (Destined to die)
Motherfuckers are just destined to die!!

[Captain Carnage]

Again I bloody and shush
When I flush and you mush
Down a toilet
I wipe my fuckin "Green Soylen"
Throw down a log, then I make sure you die
There's no escapin New York, even if you fuckin try

I stick my fuckin pick, my jagged blade always slices
Get too close, and I kill you with my fuckin knife, kid
I chop a fuck gorilla up, then I poach her
When I reimpulse ya, they fuckin won't know ya
A leg here, an organ over there
Your fuckin body parts scattered every fuckin where
So demented, I convict them consequently
Kid, I beat the motherfuckin bitch that I tormented
In my dungeon, I'll be fuckin plungin
All types of cunts that this dude's fuckin life functions
I cut and you wind up in my backyard
It's gore, wives should get their fuckin legs cut
Violators get smeared with tar and feathers
Bitches get slapped up a different type of lettuce
I'm fuckin stingy, I'll be quick to rip the last piece of
flesh
I'm lookin forward to seein your death

[Chorus]

[Captain Carnage]

What the fuck you lookin at you stupid ugly mothafucka
I shoot you like a dog in a heartbeat, then rape
I fuckin eat your brains for lunch
Your bones go crunch, as I fuckin much your corpse
Cause you wenches though somethin proper but until
you stepped up
Kid you get swept up
Like a dolla, if you fuckin try to holla
I'll be leavin you wit a bloody fuckin colla
Mothafucka, I never swallow my pride
I'd rather see you die, than let a mothafucka slide
Mothafucks get dissed and clowned
Try to get loud, I'll leave you dead with a fuckin cloud
I make abortions
I got a fuckin full clip
And my silencer
Makes it more violenter
So mothafucka, don't fuck wit me
Cause I'll, be ready to unload my gat until it's empty
I never break a mothafucka at his party
I'd rather see him harder than a mothafuckin bloody
gauntlet
And after all the fuckin smoke clears
I'll be on my way to buy a couple of beers
And if your black, you get knocked quick by beastly
mallet
I chop up poor punks like salad
I come equipped with the proper utensils
Stab at a bitch and then until their bloody blood spills

Cause I'm too paranoid to avoid
I massacre, you'll be one dead fuckin passenger
And this is a message from Captain Carnage, black
And I'm fuckin out like fuckin "Kojak"

[Chorus]

[Necro]

My crew mad, we'll kill a cocksuckin fag, don't mean to
brag
But I'll leave you bloodier than a bitches rag
Necro slaughters niggas in my gory quarters
I drink the blood from my orders
I rape that bitch Crystal Waters
No survivors, you'll slide and sink in fuckin saliva
I killed Arnold Shwarzanegger then raped Maria
Shleyever
I stick swords in the abdomens of my landlord
Leavin him crippled by cast that got shot in his spinal
chord
Hoistin your fuckin head when you get your ass
plugged
Electrocute his death when I dropped the radio in the
bathtub
You won't persue your mothafuckin nerves
When dinner's served, I'll be eatin fuckin human hors
deuvors
I got vaginal fluid on my knife
I'm out like the last nut Bobbitt will ever bust to rape his
wife

[Chorus]

[Captain Carnage]

Necrophliac is destined to fuck a corpse

[Necro]

Captain Carnage is destined to murda

[Captain Carnage]

Du Riz is destined to hustle

[Necro]

J.E.Z is destined to mug

[Captain Carnage]

Gore too, is destined to mug. Die!!!
