Eat

My

Shit!

A double-head tackle knife
Is what I commit death with
This bitch and I'ma rip out your heart through ya left tit
You'll turn around and see a fuckin fist in ya face
You'll stink like a bloody cock after I pissed in your face
So pace back paint your crib black or you'll hear your
ribs crack
They're ain't nothin' you can say 'cause nigga ya gay
Dipped in glass I'm dressed to impress wind up a
bloody mess
Hop into my oblivion express
Fuck the pigs in Central Bookin
I come from Sodom and Gemorrah Brook-lyn
The crack is always cookin
And I'm taking niggas out
Randomly, they couldn't handle me
If you ain't down with me, fuck you plus your family
I burn crews to death with words, Nerd!
I'm obsurd; eat turd, I sacrifice birds
I'm the future ahead of my time
Nigga inhale my lyrics into your brain instead of a dime

[Chorus]

Sweet dreams will make you bleed
Who the fuck are you to look at me?
I'll bash in your skull and send you to heaven skeeze
Everybody's looking to die soon
Necro wants to use you
Necro could never be used by you
Necro wants to abuse you
Necro could never be abused

I be sadistic like Ed Powers
Your body my dog devours
A minute of torture seems like hours

I broadcast bloody-showers
The Angel of Death kid I declare war
If you don't want to witness the gore
Put lambs-blood on ya door
I shall travel back in time with nuclear weapons
And blow Auschwitz to bits, put Hitler in the
tourniquette
And spit in his face I got death for the Aryan race
'Cause all of his followers shall become poison
swallowers

[Chorus]
Sweet dreams will make you bleed
Who the fuck are you to look at me?
I'll bash in your skull and send you to heaven skeeze
Everybody's looking to die soon
Necro wants to use you
Necro could never be used by you
Necro wants to abuse you
Necro could never be abused
