The King of Greece  
My shot is Deece  
Puttin holes in your teeth  
Swallow my meat  
And I'll SPIT  
Not rhymes but a treat  
Its a Necro-creamsicle  
My gonorrhoea vehicle  
And I've got my G2  
Lets take the highway  
Hope you got your Hep B shots  
Here comes one your way

[Chorus]:  
Bodies plus water equals  
No damn crime  
Pistol is my paintbrush  
I won't do time  
Water rots my art  
Now repeat the next line:  
Bodies plus water equals no damn crime

Ain't no kinky pinky  
I've got a brown thumb  
Smoking that coke and drunk off rum  
Come to my maison  
A new liason  
We can clean you like a deer  
SautÃ© your bones in beer  
Cause I work for meals on wheels  
Bonin' other dudes like P-Doggy Doggins

[Chorus]:  
Bodies plus water equals  
No damn crime  
Pistol is my paintbrush  
I won't do time  
Water rots my art  
Now repeat the next line:  
Bodies plus water equals no damn crime

I don't own guns  
I keep artillery  
Smashing up your block  
Like I'm smashing your capillaries  
Shit's military  
You're in my boot camp  
You know it fool, I'm talking leg cramps  
Tech 9 gets jammed, HA!  
Now son peep that  
Done fired a million rounds  
Got a billion left in me

[Chorus]: X2  
Bodies plus water equals  
No damn crime  
Pistol is my paintbrush  
I won't do time  
Water rots my art  
Now repeat the next line:  
Bodies plus water equals no damn crime
