"Brothers In Blood"

Visit "[Brothers In Blood](#)" on MotoLyrics.com

Our blood,
Noble blood,
Pure blood to be exalted
Their blood,
False blood,
Tainted blood to be spilled

Brothers... in blood!

Bleed for the Devil, on all levels
Unconditional, this ritual in blood!

Spilling blood,
Dripping blood,
Losing blood sanguinary
Raw blood,
Crimson blood,
Ties of blood hierarchy

Brothers... in blood!

Bleed for the Devil, on all levels
Unconditional, this ritual in blood!

This blood
Sanctified for the one that we hail!
