I keep waiting  
For your life to end  
My mission here is killing  
And I do what I can

Your hasting time will turn  
To a never ending hour  
Your soul cannot be present  
In this world anymore

Your minutes turn to centuries  
Along with the punishment I'm giving  
The clock is ticking  
Your time is ending

Yesterday was just another day  
Like any others in your miserable life  
And what today? Shall I use my poison  
Or again my silent screaming knife?

And time goes on  
(And what today?)  
Slowly in your decaying soul  
(And what today?)  
You want to turn your back on me again  
(And what today?)  
I drag you out again to the never ending hole  
(And what today?)

Your never ending suffering will come  
Time is coming for you to become  
An empty corpse, fearless  
Silent and alone

Yesterday was just another day  
Like any others in your fucking life  
And what today? Shall I use my poison or  
My silent screaming knife

Time goes on, slowly in your decaying soul  
You want to turn your back on me again  
I drag you out

To your never ending pain

Your memories are now all dead  
You'll live in your underworld deceased  
Along with the wordless friendly creatures  
You'll never feel alive anymore

Yesterday was just another day  
Like any others in your miserable life  
And what today? Shall I use my poison  
Or again my silent screaming knife? (2x)

And time goes on  
Slowly in your decaying soul  
You want to turn your back on me again  
I drag you out again to the never ending hole

Yesterday,  
And what today?  
And... Yesterday  
Shall I use my poison  
Or again my silent screaming knife?  
And what today?  
And time goes on  
Slowly in your decaying soul  
And what today?  
Like any others in your miserable life  
And what today?  
And what today?
