pain in his face behind the mask
daddy's hunting for the show
eyes of rage, broken past
every night the call to go
see it through his burning eyes
feel the hate when tears have dried
an other victim, fearful screams
truth from lies, to blind to...
see his face, hate breeds hate
alone on his own, you better don't call
bone daddy
war inside his head
pray to be free from this endless misery
dammned to live, broken dreams
truth from lies to blind to...
see his face, hate breeds hate
alone on his own, you better don't call

chorus: dead, hateful city nights
bone daddy
skinned, pure alive
bone daddy
lies, built on broken dreams
bone daddy
can you hear the final scream
time ended now, no going back
random crime, spree attack
wings of sadness hold his pain
truth from lies to blind to...
see his face, hate breeds hate
alone on his own, you better don't call
chorus: dead, hateful city nights
bone daddy
skinned pure alive
bone daddy
lies, built on broken dreams
bone daddy
can you hear the final scream
