Flies in his face
In his brain our lies
No day without pain
Don't lose your pride.

Lack of human rights
No matter of AI
They have chains for the blacks
No wings to fly!

Ref:
With a burning like a fire in his eyes
he uses to kill their pride!

Give a trial to a talk
Never leads to a treaty
And warfare is leading
To a crushing defeat.

Power is tending
To make corrupt

Human mind is to weak
To stop the shriek!

Ref:
With a burning like a fire in his eyes
he uses to kill their pride!

Flies in his face
In his brain our lies
No day without pain
Don't lose your pride.

Lack of human rights
No matter of AI
They have chains for the blacks
No wings to fly!

Ref:
With a burning like a fire in his eyes
he uses to kill their pride!
