The time is coming  
To take the truth  
Into your temple  
Surrounded by light  
It's hard to swallow  
It's hard to breathe  
It just begins  
It's just a test

Offer it to the Source  
Like a present  
To be purified  
That kind of medicine  
When you are bitten  
You feel the poison  
You're becoming it  
And you transmute it

Now you are dead  
And now you reborn  
Feel this new world  
On the initiate's way

Walk back on the Earth  
Be one with the Earth  
A raised Cobra  
On your ajna
