Look into my eyes  
There's no sign of life  
Fabled tales of daemon  
Caress temptations bliss  
Like a splintered finger  
Removing poison from her lips

Crawl into your brain  
Transforming thoughts to pain  
Tainted blood awakens  
Driving you insane

The pulse of hybrid gods  
Rages through my veins  
Souls left screaming  
Abandoned by weeping graves

Morphing into existence  
Skinless forms take shape  
Scars of apocalyptic genocide  
Born from the seeds of plague
