There was a burning heat in this town  
Anyone tracked the falldown.  
Anyone knows it, anyone fault it  
Signs are made since long.  
People suffer by this mania  
Since more than two decades.  
Challenge given to that nation  
To smash Securitate.

Fall down!  
Combat ready!

Necrology knows thousand names.  
Struggle for existence.  
Democracy nipped in the bud  
Burst out by interception.  
Communitic monarchy  
Practiced by Ceaucescu.  
Dissidents were slew by state.  
Human rights, one word.  
Fall down!  
Combat ready!

Ref:  
Burst out! Do you see what I mean? Temptation!  
Burst out! Do you agree? Laconic termination.  
Burst out! Do you see what I mean? Temptation!  
Burst out! Do you agree? Laconic termination.

December 1989  
Anyone fights on falldown.  
Anyone knows it, anyone fault it.  
Nothing is eternal.  
Vote against this ghastly sucker  
Vote for execution.  
Temptation, termination  
Nemesis and die.

Fall down!  
Combat ready!

Ref: 3x
