As I walk  
Through the door of time  
I knew what I have been and  
What I've become  
So many lives  
And experiences  
To reach this stage  
To Be Awake  
Now I've returned  
Down to the Earth  
As a Messenger  
As the Door Keeper  
Now Understand  
That life is endless  
And your body  
Is a leaf upon a tree  
Deeper you've fallen (The soul of chaos)  
Higher you'll be rising (The Heart of the Liion)  
Death is a dream (The Cycle of time)  
The leaf is also the tree (The All in one)  
As I walked  
Through the Door of Time  
I knew what you've been  
And What you've become  
You will return  
Down to this Earth  
As a Messenger  
As the Key Bearer
