Verse One

Ash and fog fade all,
All turns to grey.
It's your fallen empire,
Crushed by the sound.
Step by step, ascend,
Rise from the ground.
Against all odds, we rise,
Now watch us reign.

Chorus

I Rise Above
Surpass Your World
I Rise Above
Your Scene-led Realm
Verse Two

Your gold age now lost,
We're surfacing.
Salvage of sound, rebuild.
We're now stronger.
Step by step, ascend,
Rise from the ground.
Against all odds we rise,
Now watch us reign.

Chorus

I Rise Above
Surpass Your World
I Rise Above
Your Scene-led Realm
Verse Three

Ash and fog fade all,
All turns to grey.
It's your fallen empire,
Crushed by the sound.

Step by step, ascend,
Rise from the ground.
Against all odds, we rise,
Now watch us reign.

Chorus

I Rise Above
Surpass Your World
I Rise Above
Your Scene-led Realm
