Baby, when I think about you, I think about love
Darlin', I don't live without you and your love
If I had these golden dreams of yesterday
I would wrap you in their heaven
But [unverified] dying on the way

Feel like makin' love
Feel like makin' love
Feel like makin' love
Feel like makin' love

Baby, if I think about you, I think about love
Darlin', if I live without you, I live without love
If I had the sun and moon and the shining
I would give you both, night and day, love so satisfying

Feel like makin' love
Feel like makin' love
Feel like makin' love
Feel like makin' love
