Reborn again
sick of the illusion
time has come for misbehaviour
restore again
that sense of mass confusion
don't go crying for a saviour

Angels dying, demons conspiring
your kingdom starts to fall
born in fire
inner desire
the leader of it all

Anarchy
step up the temperature
a million degrees
no hypocrisy

Destroy the men
preachers of delusion
no more time for human failure
be strong again
your victims of illusion
release the force from inner nature

Angels dying, demons conspiring
your kingdom starts to fall
born in fire
inner desire
the leader of it all

Anarchy
step up the temperature
a million degrees
no hypocrisy

Anarchy
step up the temperature
a million degrees
no hypocrisy
step up the temperature

a million degrees
no hypocrisy
