Livin' out in the streets,
Somebody in town,
Two hearts had to meet while I goin' down,

A little girl,
Hidin' from the city lights,
Is this the boy are strungle her out tonight,

Trying hard to survive in a damaged world,
Livin' now is screwin' it all over it,

Gettin' high, messin' up on the dream,
I'm runnin' wild,
It's never all what it seems,

She brought her up, but he let her down,
N' nobody gonna turn around,

Rise up, only if your let it,
Fall down, gotta take it on,
Rise up, the world spinnin' faster,
You fallin' for love n' you bound to fall,

Now what you do with your tongue,
N' it's always you,
But he still in the dark, a lonely hoar,
This little girl, cryin' on the fourty tonight,

Please back on the streets down to five,

She brought her up, but he let her down,
He's runnin' high with no turn around,

Rise up, only if your let it,
Fall down, gotta take it on,
Rise up, the world spinnin' faster,
You fallin' for love n' you bound to fall,

You know love is like poison,
Still you take it on, you headin' for disaster,
You fallin' for love n' you bound to fall,

Rise up, only if your let it,
Fall down, gotta take it on,
Rise up, the world spinnin' faster,
You fallin' for love n' you bound to fall,

Rise up, fall down,
You've gotta to take it on,
Rise up,
The world spinnin' faster,
Bound to fall!
