Verse1: Smoke, choke, on billion dollar coke
For decades the obsession has inspired and provoked
Gun, fight columbian white
The aftermath corruption of the suits and the ties

Cash, stash give ya money or ya blood
you know about the lies that gets you buried in the mud
Excess, you couldn't care less
until you got the new of your bestfriends death

Pre-chorus: Aint it sick but kinda fascinating
You give it up then you raise the white flag

Chorus: Save me from the Cocaine Cowboys soldiers of
the damned and their Godmother
Save me from the Cocaine Cowboys save me from your
grace please unholy mother

Taken all these lives it's a bad game still the world is
crazy bout the cocaine

Verse2: Dust, must I think I split in two
I know it's evil circle but I'm feelin kind of blue
Dead, trash a junkie outta cash
I wanna beat the coffin so I'm hiding in the ash

Chorus: Save me from the Cocaine Cowboys soldiers of
the damned and their Godmother
Save me from the Cocaine Cowboys save me from your
grace please unholy mother

Taken all these lives it's a bad game still the world is
crazy bout the cocaine

[Solo]
