You fuckin' dickhead
Sick fuckin' shithead
Standing knocking on my door again
You drunken fuckup
Should keep your mouth shut
I won't ever fill your cup again

Lock up the freak
and throw away the key

You're just a lickin' dog
Standing in my way
now get your wet hands off
you ain't got nothing on me
don't you waste that smile for me

You cynic muppet
shit-playing puppet
lickin' balls of other bands again
you dirty suckup
put on some make-up
I don't wanna see that face again

Lock up the freak
and throw away the key

You're just a lickin' dog
Standing in my way
now get your wet hands off
you ain't got nothing on me
don't you waste that smile on me

You're just a lickin' dog
standing in my way
now get your fat ass out
don't you go bring shit to me
I'm a cool can't and you're a lickin' dog
