Nobody's coming through my way  
I'm drawing in the crowd with nothin' to say  
Waitin' for a better day  
This is another beautiful Sunday  
It's always the same old show  
When trouble is comin' by the door  
Love jump through the window  
Here I am alone with nowhere to go  
Soledad (No quiero no)  
Stinkin' with your heavy perfume  
The kind I will never loose  
Whistlin' your favourite tune  
Called the Black Widow Blues  
Soledad (No quiero no)  
Nobody's coming through my way  
I'm drawing in the crowd with nothin' to say  
Waitin' for a better day  
Soledad lo que a mi me va

Stinkin' with your heavy perfume  
Whistlin' your favourite tune  
Soledad lo que a mi me va  
Soledad a mi me da la vida  
Nobody's coming through my way  
I'm drawing in the crowd with nothin' to say  
Waitin' for a better day  
This is another beautiful Sunday  
Soledad (No quiero no)
