Three is a magic number
Somewhere in the ancient mystic trinity
You get three, it's a magic number
The past, the present, and the future
Faith, hope, and charity
The mind, the heart, and body
Give you three, it's a magic number
It takes three legs to make
A vehicle called a tricycle
Every triangle has three corners
Every triangle has three sides
No more, no less
You don't have to guess
When it's three you can see
It's a magic number
A man and a woman
Had a baby, yes they did
They had three in the family
It's a magic number
3,6,9,12,15,18,21,24,27,30
3 x 10 = 30
3 x 9 = 27
3 x 8 = 24
3 x 7 = 21
3 x 6 = 18
3 x 5 = 15
3 x 4 = 12
3 x 3 = 9
3 x 2 = 6
3 x 1 = 3
It was three times the lie was told
And the three times the rooster crowed
It took three nails to kill the King
And in three days He rose again!
