Written by Neil Diamond

Far

We've been traveling far

Without a home

But not without a star

Free

Only want to be free

We huddle close

Hang on to a dream

On the boats and on the planes

They're coming to America

Never looking back again

They're coming to America

Home, don't it seem so far away

Oh, we're traveling light today

In the eye of the storm

In the eye of the storm

Home, to a new and a shiny place

Make our bed, and we'll say our grace

Freedom's light burning warm

Freedom's light burning warm

Everywhere around the world

They're coming to America

Every time that flag's unfurled

They're coming to America

Got a dream to take them there

They're coming to America

Got a dream they've come to share

They're coming to America

They're coming to America

They're coming to America

They're coming to America

They're coming to America
Today, today, today, today, today

My country 'tis of thee
Today
Sweet land of liberty
Today
Of thee I sing
Today
Of thee I sing
Today
