"A Mission Of Love"

Artist: Neil Diamond
Title: A Mission Of Love

We've got to help a friend in need
And nothing is gonna stop us now
Though all the words in the world
Won't get him the girl
If fate don't allow

Good love's a hard thing to lose
It don't come everyday
We've got to find us a way
To save this friend of ours
It's time to begin our mission of love

Come on now
Dah n do, dah n do
,Dah n do, dah uh huh
Give me an 'L'
N do, dah n do,
Dah n do, dah oh yeah
Sing me an 'O' do do,
Dah do do, dah do do
Dah uh huh
'V-E' do n, dan do n,
Dah do n dah dah
L-O-V-E: love

We're on a mission of love
And nothing gets in our way
We've got to save us a friend
From a furious fate
Before the end of the day

This is a moment of truth
And truth is what we're about
We got a friend in a hole
We got to help get him out
This is a glorious day
Out on a mission of love, oh yeah

Everybody wants someone to need
Includin' you and me
Anytime you deny it
You're only denyin' what's real

Everybody wants someone that cares
Someone to be theirs
And if you get hurt
Sometimes if never can heal
So just count me in
This mission of love

Oh yeah,
Dah n do, dah n do,
Dah n do, dah uh huh
Give me an 'L'
N do, dah n do,
Dah n do, dah oh yeah
Sing me an 'O' do do,
Dah do do, dah do do
Dah alright
'V-E' do n, dan do n,
Dah do n dah dah
L-O-V-E: love

We're on a mission of love
And nothing gets in our way
We've got to save us a friend
From a furious fate
Before the end of the day
This is a moment of truth
And truth is what we're about
We got a friend in a hole
We got out help get him out
