[Originally by Leon Russell]

I've been so many places  
In my life and time  
I've sung a lot of songs  
I've made some bad rhyme  
I've acted out my love in stages  
With ten thousand people watching  
But we're alone now and  
I'm singing this song for you

I know your image of me  
Is what I hope to be  
I've treated you unkindly  
But darlin' can't you see  
There's no one more important to me  
Darlin' can't you please see through me  
Cause we're alone now and  
I'm singing this song for you

[Chorus]

You taught me precious secrets  
Of the truth with holding nothing  
You came out in front and I was hiding  
But now I'm so much better  
And if my words don't come together  
Listen to the melody  
Cause my love is in there hiding

I love you in a place  
Where there's no space or time  
I love you for in my life  
You are a friend of mine  
And when my life is over  
Remember when we were together  
We were alone and  
I was singing this song for you

[Chorus]

I love you in a place

Where there's no space or time  
I love you for in my life  
You are a friend of mine  
And when my life is over  
Remember when we were together  
We were alone and  
I was singing this song for you

We were alone and  
I was singing this song for you
