Songmaker
You heartbreaker
You figure
Better stop it while you can
You know you're just
A worthless daydreamer
But hey dreamer
It's time to act like a man

Song writin'
It's just a little bit frightenin'
Like playin' with lightening
I'm not complainin'
Now you understand
You get to sing and dance all day
Like children play
But it's time to act like a man

Bein' a man means responsible
You hear it wherever you go
Nothing is ever impossible
Something inside tells me so
And I know
What I know.

Say lover
Better discover
Some other way to turn
Your head around again
And really don't you wait now
It's gettin' late now
It's time to act like a man

Bein' a man means responsible
You hear it wherever you go
Nothing is ever impossible
Something inside tells me so
And I know what I know

Songmaker
You heartbreaker
You figure

You better stop it
While you can
You know you're just
A worthless daydreamer
But hey dreamer,
It's time to act like a man.

You've got to act like a man.
Why don't you grow up
And act like a man?
