Far, we've been travellin' far
Without a home, but not without a star
Free, only want to be free
We huddle close, hang on to a dream

On the boats and on the planes
They're comin' to America
Never looking back again
They're comin' to America

Home, don't seem so far away
We're travelling light today
In the eye of the storm
In the eye of the storm

Home, to a new and a shining place
Make our bed and we'll say our grace
Freedom's light burning warm
Freedom's light burning warm

** Everywhere around the world
They're comin' to America
Everytime that flag's unfurled
They're comin' to America

Got a dream to take 'em there
They're comin' to America
Got a dream, they come to share
They're comin' to America

They're comin' to America, they're comin' to America
They're comin' to America, they're comin' to America
Today, today, today, today, today

My country 'tis of thee (today)
Sweet land of liberty (today)
Of thee I sing (today), Of thee I sing today (today)
Today, today, today, today, today [fade]
