Baby, my tears I know I can hide
But sweet, sweet baby
It's tearing me up inside

And I'm comin' apart, breakin' in pieces
Look at my world tumblin' down
Comin' apart, breakin' in pieces, baby
Since you're not around
You've won, I'm lost
Nowhere to run to

Baby please hear what I got to say
Oh sweet, sweet baby
Oh don't turn me away

Cause I'm comin' apart
Breakin' in pieces
Look at my world tumblin' down
Comin' apart, breakin' in pieces
Baby, since you're not around
You've won, I'm lost
Nowhere to run to
