Pretty soon we were takin' it serious,
Me and and you underneath a mysterious spell,
Nothin' I could do
And it suddenly felt like a bolt outta hell,
I'm tellin' you.

To the sound of the beat I was hangin' on
Like a powerful truth it was bangin' on me,
Wouldn't lemme go, like a shot in the dark
She was hot like a spark,
I only know,
Neither one of us tryin' to hold it down,
Neither one of us takin' the middle ground,
Wasn't how to make sense we were thinkin' of,
Just the two of us bent on delirious love.
Me and you bein' spent on delirious love.

Like a ride on a rocket it took us up,
Didn't want it to stop and it shook us up good.
We were movin' fast just ahead of the law,
We were beggin' for more,
And what a blast.
Comin' round to a new kind of view of it,
Never did it before we were doin' it now,
And I gotta say it was easy to give,
Was a reason to live another day.
Neither one of us stoppin' to figure out,
What the roll and the rockin' was all about.
All we knew was that we couldn't get enough,
You and me in the heat of delirious love.
I can feel it, I can feel it, we can feel it.

Comin' down had a new kind of view of it,
Wouldn't do it before we were doin' it now,
And I gotta say it was easy to give was a reason to live
another day.
Neither one of us stoppin' to figure out,
What the roll and the rockin' was all about,
All we knew is that we couldn't get enough,
You and me and the heat of delirious love,
Makin' time to the beat of delirious love,
You and me gettin' sweet on delirious love.....
