Evermore

Have we come this far
To have gone astray?
I've been lost before
But not lost this way
You and me
Thought we'd be
Evermore

Do I know you? Did I ever?
Thought I did: now I know better
Saw the signs but not the danger
How'd you get to be a stranger at my door?

Promises got left behind
And reason fell between the lines
The words unsaid we should have spoken
Both misled and left us broken evermore

Have we said it all?
Is there more to say?
Thought we paid our dues
Is there more to pay?
What's to be
Of you and me
Evermore?

Was It love or just illusion?
All I see is our confusion
Came upon us unsuspecting
Here we are reflecting on the last of it

If you think of me
In a year or two,
Find that photograph
Showin' me with you
What you see
Is what should be
Evermore

Why? Tell me why

Don't know why. Oh, why?

Where's the truth we took for granted?
Walkin' out's not how we planned it
Played it loose but stayed together
Thought we had the truth but never knew the score

If it's done for now
And it's time to go
There's one thing unsaid
Thought you'd want to know
Love you still
Guess I will
Evermore

Love you still
Yes I will
Evermore
