Title: Everybody's talkin'

Everybodys talkin (echoes)

By fred neil

Everybodys talkin at me.
I dont hear a word theyre sayin,
Only the echoes of my mind.

People stoppin starin
I cant see the faces,
Only the shadows of their eyes.

Im goin where the sun keeps shinin
Thru the pourin rain,
Goin where the weather suits my clothes.

Bankin off the northeast wind,
Sailin on a summer breeze,
Skippin over the ocean like a stone.

Everybodys talkin at me.
I dont hear a word theyre sayin,
Only the echoes of my mind.

And I wont let you leave my love behind. (repeat and
fade)
