Title : Free life

-----

Free life.  
Scratch on my head.  
Pick me a tune.  
Sing it like a black man,  
Oh, oh, oh, mm, mm, mm.

Free life.  
You know my name.  
I'll leave on a light  
And burn it in the window,  
Oh, oh, oh, mm, mm, mm.

Talking 'bout 'round, brown ladies  
And maybe some wine.  
All be fine.  
If she ain't no belle, hell, it's OK;  
I won't pay no mind.  
We'll just have us a time.

Free life.  
I'll wait right here,  
But I ain't no kid  
Believin' in the Bible,  
Oh, oh, oh, mm, mm, mm.

Ah, free life.
