I've heard there was a secret chord  
That David played, and it pleased the Lord  
But you don't really care for music, do you?  
It goes like this  
The fourth, the fifth  
The minor fall, the major lift  
The baffled king composing Hallelujah  
Hallelujah  
Hallelujah

Your faith was strong but you needed proof  
You saw her bathing on the roof  
Her beauty and the moonlight overthrew you  
She tied you  
To a kitchen chair  
She broke your throne, she cut your hair  
And from your lips she drew the Hallelujah  
Hallelujah  
Hallelujah

Maybe I've been here before  
I know this room, I've walked this floor  
I used to live alone before I knew you  
I've seen your flag on the marble arch,  
Love is not a victory march  
It's a cold and its a broken hallelujah  
Hallelujah  
Hallelujah

I did my best, it wasn't much  
I couldn't feel, so I tried to touch  
I've told the truth, I didn't come to fool you  
And even though  
It all went wrong  
I'll stand before the Lord of Song  
With nothing on my tongue but Hallelujah  
Hallelujah  
Hallelujah
