Written by: neil diamond, tom hensley and alan lindgren

Hey, we're headed for the future  
Give us some room  
We're gonna build a new world

Say, we're headed for the future  
Give us some time  
We're gonna make it work right

Yeah, we're gonna build a new dream  
We've got to make it stand tall  
It's got to last a long time

Lean on me  
And I'm gonna lean on you  
We're headed for the future  
And the future's now  
Show you how

Yeah, we're headed for a new place  
A step at a time  
We're gonna take a long ride

Time don't wait around forever  
We've got to do it right now  
Let's do it all together

Lean on me  
And I'm gonna lean on you  
We're headed for the future  
And the future's now  
Show you how  
Lean on me  
Cause I'm gonna lean on you  
We're headed for the future  
Come on, lean on me  
And I'm gonna lean on you  
We're headed for the future  
And the future's ours

Come on, come on  
Come on, come on  
Come on, come on  
Yeah
