L.A.'s fine, the sun shines most the time  
And the feeling is 'lay back'  
Palm trees grow, and rents are low  
But you know I keep thinkin' about  
Making my way back

Well I'm New York City born and raised  
But nowadays, I'm lost between two shores  
L.A.'s fine, but it ain't home  
New York's home, but it ain't mine no more

"I am," I said  
To no one there  
An no one heard at all  
Not even the chair  
"I am," I cried  
"I am," said I  
And I am lost, and I can't even say why  
Leavin' me lonely still

Did you ever read about a frog who dreamed of bein' a  
king

And then became one  
Well except for the names and a few other changes  
If you talk about me, the story's the same one

But I got an emptiness deep inside  
And I've tried, but it won't let me go  
And I'm not a man who likes to swear  
But I never cared for the sound of being alone

"I am," I said  
To no one there  
An no one heard at all  
Not even the chair  
"I am," I cried  
"I am," said I  
And I am lost, and I can't even say why  
Leavin' me lonely still
