Broken windows
And empty hallways
A pale dead moon in a sky streaked with gray
Human kindness
Is overflowin'
And I think it's goin' to rain today
Scarecrows dressed
In the latest styles
With frozen smiles to chase love away
Human kindness
Is overflowin'
And I think it's goin' to rain today
Lonely
Lonely
Tin can at my feet
Kick it down the street
And that's the way to treat a friend
Right before me
The signs implore me
Help the needy and show them the way
Human kindness is overflowin'
And I think it's goin' to rain today
