I'm On to You
Lie No More I'm on to you
Know the score and I'm on to you
Take anything you want
Baby I'm movin' on
You can complain, rant and cry Can't deny Baby
I'm On to you

Talk your your talk I'm on to you
Like the hawk hey I'm on to you
Trouble is what you want,
Trouble that's gone too far
Baby the truth makes you free disagree? I'll still be
On to you

Tell me now how I was
Wrong and I'll tell you how
Right you are
Wrong to be staying so long
Was I out of my head...should have know it was dead

But it's good by now I'm on to you
Stood my ground hey I'm on to you
Baby I wish you well
But loving you it was hell
Now is the time to let go finally know that
I'm so on to you

(Break)
Tell me now how I was
Wrong and I'll tell you how
Right you are
Wrong to be staying so long
Was I out of my head...should have know it was dead

But it's good by now I'm on to you
Stood my ground hey I'm on to you
Baby I wish you well
But loving you hurt like hell
And is the time to let go, finally know that
I'm so on to you
Baby I'm on to you..

Saying I'm on to you...to you....to you....to you..

(Solo)

Saying I wish you well
But loving you hurt like hell
And is the time to let go, finally know that
I'm so on to you
Baby I'm on to you..
Saying I'm on to you
Knowing I'm onto you
Baby I'm on to you..
