BE

Lost

On a painted sky

Where the clouds are hung

For the poet's eye

You may find him

If you may find him

There

On a distant shore

By the wings of dreams

Through an open door

You may know him

If you may

Be

As a page that aches for a word

Which speaks on a theme that is timeless

While the Sun God will make for your day

Sing

As a song in search of a voice that is silent

And the one God will make for your way

And we dance

To a whispered voice

Overheard by the soul

Undertook by the heart

And you may know it

If you may know it

While the sand

Would become the stone

Which begat the spark

Turned to living bone

Holy, holy

Sanctus, sanctus

Be

As a page that aches for a word

Which speaks on a theme that is timeless

While the Sun God will make for your day

Sing

As a song in search of a voice that is silent  
And the one God will make for your way

LONELY LOOKING SKY

Lonely looking sky  
Lonely sky, lonely looking sky  
And bein' lonely  
Makes you wonder why  
Makes you wonder why  
Lonely looking sky  
Lonely looking sky  
Lonely looking sky  
Lonely looking night  
Lonely night, lonely looking night  
And bein' lonely  
Never made it right  
Never made it right  
Lonely looking night  
Lonely looking night  
Lonely looking night

Sleep we sleep  
For we may dream  
While we may  
Dream we dream  
for we may wake  
One more day  
One more day

Glory looking day  
Glory day, glory looking day  
And all it's glory  
Told a simple way  
Behold it if you may  
Glory looking day  
Glory looking day  
Lonely looking night

SKYBIRD

Skybird  
Make your sail  
And every heart will know  
Of the tale  
Songbird  
Make you tune  
For none may sing it  
Just as you do

Look at the way I glide  
Caught on the wind's lazy tide

Sweetly how it sings  
Rally each heart at the sight  
Of you silver wings

Skybird, skybird

Nightbird  
Find your way  
For none may know it  
just as you may
