Words and Music by Neil Diamond

Jungle time, time for the fight and it's time for the fury.

Jungle time, settin' it right and then takin' the glory,

Jungle time, rumble time,

baby, baby, baby, baby, baby, baby, baby, baby.

Strut your stuff, lay it all out like you don't care who knows it.

Strut your stuff, you keep your cool while the other guy blows it.

Strut your stuff, hangin' tough.

Baby, baby, baby, baby, baby, baby, baby, baby.

Jungle time, rumble time, tumble time.

Hey, I'm walkin' proud, me and the boys got a date with the angels.

Walkin' proud, we and them boys ain't exactly like strangers.

Walkin' proud, talkin' proud.

Baby, baby, baby, baby, baby, baby, baby, baby.

Jungle time, rumble time, tumble time.

Hey, I'm checkin' out, this ain't my style it ain't my persuasion.

Checkin' out, guess I ain't built for this kind of occasion.

Checkin' out, steppin' out.

Mama, mama, mama, mama, mama, mama, mama, mama.

Jungle time, rough, tough, tumble time.

Jungle time rough, tough, tumble time
